A TASTE OF THE CARIBBEAN FESTIVAL THE DANCE EDITION: JULY 12-15 GET YOUR DANCING SHOES! IT'S TIME FOR SALSA, KOMPA & REGGAE!

Montreal (April 5, 2018) – Back for its 19th edition, A Taste of the Caribbean (TOTC) invites festivalgoers to share their best island dance steps at the Old Port of Montreal (Clock Tower Quay). Occurring for the first time in mid-July, TOTC is the best event to enjoy the summer and the Caribbean vibes!

Bruny Surin is back as the spokesperson this year and the festival will explore the different dance styles we find in the Caribbean when we think of the French, English and Spanish influences. From salsa to kompa and dancehall, everyone will dance to his/her beat!

This free festival offers great dishes from our food vendors, free activities such as **dance workshops** and mixology demonstrations, free and paid concerts, and activities for the whole family!

The Rum Zone is also back this year where it allows you to sample various categories of rum and a variety of Caribbean tapas.
