### **ABOUT – Taste of the Caribbean (TOTC)**

TOTC’s mission is to promote the diversity of Canada’s Caribbean culture to all audiences; to form a better understanding and integration between cultures, as well as to influence Canadians of non-Caribbean descent to eventually travel to the Caribbean region, while at the same time, direct them to visit local Caribbean outlets in Canada, such as: live performances/events, restaurants, retail stores, art galleries, related e-commerce sites of imported products, etc.
